How to interpret this table

The percentage of proposals above the overall threshold and with a given score or higher is shown per ranking list. Green shows the funding range. Proposals below the overall threshold are shown seperately and are not part of the cumulative total. For example: -in the CAR ranking, 6,01% of all eligible proposals submitted in this ranking list scored 95 or higher. The funding cut off is 90. -in the ST-PHY ranking, 20,44% of all eligible proposals submitted in this ranking list scored 90 or higher. The funding cut off is 92,4.

-in the GF-SOC ranking, 27,27% of all eligible proposals submitted in this ranking list scored less than the threshold (70) and were rejected.
