### Key Action 1

mobility for learners and staff –  
higher education students and Staff Mobility

## INTER-INSTITUTIONAL AGREEMENT 2014-2016 BETWEEN PROGRAMME COUNTRIES

The institutions named below agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. They commit to respect the quality requirements of the Erasmus Charter for Higher Education in all aspects related to the organisation and management of the mobility, in particular the recognition of the credits awarded to students by the partner institution.

<sup>1</sup> Mobility managers – and the other service providers that address localized issues such as traffic, are often funded by the local government.

*Consequently, the results of the present study indicate that the use of the PEGylated liposomes is promising for the treatment of glioma.*

<sup>6</sup>Optional: subject area code & name and study cycle are optional. Inter-institutional agreements are not mandatory for bilateral mobility for traineeships or staff mobility for training. Institutions may agree to cooperate on the organisation of traineeship in this case they should indicate the number of students that they intend to send to the partner country. Total duration in months, i.e., in the case of staff mobility periods or average duration can be indicated if relevant.
